**For STATE CONTRACTORS:**

You can send the linking information required to the email addresses above **or** follow the steps below to link your State Contractor License to your account:

- 1) Go To Account Management or My Account

The screenshot shows the website header with logos for Reno, Sparks, Washoe County, and Washoe County Health District. The navigation bar includes links for Home, Building, Business Licensing, Enforcement, Engineering, Fire, Health District, Planning, and Public Works. The 'Business Licensing' menu is open, showing 'Dashboard', 'My Records', 'My Account', and 'Advanced Search'. The 'My Account' link is highlighted with a red box. Below the navigation, the 'Manage Your Account' section is visible, with a note: 'Your current account information is shown below. Click an Edit button to update information within a section.' The 'Account Type' is listed as 'Licensed Professional Account'. At the bottom, the 'Login Information' section has an 'Edit' button highlighted with a blue box.

2) Then go to License Professional Information and click on Add a License.

Licensed Professional Information

Add a License

You may add professional license(s) to your public user account by clicking the Add a License button. Your professional license(s) will need to be validated by the agency before you can use it.

3) Follow the steps to add your State contractor license, then click '**Connect**'. Once the agencies have validated your connection to the license **you will receive an email when your account has been linked.**
